3098B Plus Connection Guide

Fn+	E	=	Bluetooth Device 1	Short press to connect with slow flashing Blue LED; Press and hold to pair device with fast flashing Blue LED.	(◐) Back Switch Indicator
	R		Bluetooth Device 2		
	T		Bluetooth Device 3		Left: Windows (built-in power supply on)
	Y		2.4G Wireless Device	Short press to connect with slow flashing Green LED; The lighting effect will be restored when pairing succeeds.	Center: Default Windows (built-in power supply off)
	U		Wired Mode		Right: Mac (built-in power supply on)

Bluetooth Pairing

After turning on the keyboard, press FN+E/R/T to enter Bluetooth mode. Press and hold the FN+E/R/T combination key for 3 seconds to put the keyboard in pairing mode, with the blue indicator light flashing quickly. Once the connection is established, the indicator light will stay on for 2 seconds. If the device fails to connect, the indicator light will turn off and the keyboard will enter sleep mode.

2.4G Pairing

After turning on the keyboard, press FN+Y to enter 2.4G mode.Then press and hold the FN+Y combination key for 3seconds to enter pairing mode.Then insert the receiver, and the indicator light will flash quickly. Once pairing is success-ful,the LED indicator will stay on for 2 seconds.If no available device is found within 30 seconds, the LED indiactor will turn off and the keyboard will enter sleep mode.

Battery Level Check

Press the Fn + Space combination keys to check the battery level in wireless mode. If the battery level is below 30%,the LED for number keys 1-2 will show a red light. If it's between 30-100%, the LED for number keys 1-9 will show a green light.And when the battery is fully charged, the LED for number keys 1-0 will show a green light.

1	2	3	4	5	6	7	8	9	0
Less than 30%		Less than 40%	Less than 50%	Less than 60%	Less than 70%	Less than 80%	Less than 90%	Less than 100%	Full charged

Red light   Green light

Key/Lighting Effects Customization Instruction

1. The driver can be connected and lighting and key can be customized under the three working modes of the keyboard

2. The three working modes of the keyboard can be matched to drive the music rhythm

3. Please download the Akko Cloud driver on our website

4. Users can download the driver via en.akkogear.com

Akko Warranty and Service Statement

1. Akko provides One-Year warranty for customers in mainland China. For other regions, please contact your seller (Akko distributor) for specific warranty policy.

2. If the warranty window expires, customers need to pay for repairs. Akko will also provide instructions if users prefer to repair the keyboard by themselves.
   However, users shall take full responsibility for any loss happened during self-repair.

3. Dissembling the keyboard without manufacturer/seller's instruction will immediately void the warranty.

4. The return and warranty policy may vary in different platforms and are subject to the specific distributor at the time of purchase.
