# Key/Lighting Effects Customization Instruction

---

1. The key/lighting effects customization must with Akko driver.
2. In wired mode, the lighting effects can also achieve music rhythm effects with Akko driver.
3. Please download the Akko Cloud driver on our website.
4. Users can download the driver via [en.akkogear.com](http://en.akkogear.com)

1. Akko provides 1-yr warranty for customers in mainland China. For other regions, please contact your seller (Akko distributor) for specific warranty policy.
2. If the warranty window expires, customers need to pay for repairs. Akko will also provide instructions if users prefer to repair the keyboard by themselves. However, users shall take full responsibility for any loss happened during self-repair.
3. Disassembling the keyboard without manufacturer/seller's instruction will immediately void the warranty.
4. The return and warranty policy may vary in different platforms and are subject to the specific distributor at the time of purchase.

## Precautions

Man-made damage is not limited to immersion, falling off, and pulling off the wires with excessive forces, etc.
